- **Fast reliable production speed full color printing with a wide range of media handling capabilities at a price way below that of laser or offset alternatives**
- **Sturdy, well-designed paper feed units allow for quick, accurate refilling of media supplies**
- **Device prints at full 120ppm full color rated speed on wide range of media stocks**
- **The 2,500-sheet capacity for oversized ledger/A3+ media stock allows for long production runs of full bleed ledger/A3 jobs**
- **The C-fold option and envelope printing capabilities make the device ideal for mailroom applications**
- **Ink supplies are quick and easy to replace**
- **The device has an easy, well-labeled jam removal process with very few jam points and no blind or difficult spots along the paper path**
- **The user-friendly interface provides experienced and novice users a quick and easy way to build copy jobs with many commonly used features on the opening screen**
- **Almost no slow downs when printing two-up ledger versus letter allows high volume print environments to minimize click service charges without affecting productivity**
