

BERTL'S BEST 2007

12th Annual Awards

Best Spot Color Duplicator Line

.....

RISO

- *The ability to produce two-color documents in a single pass eliminates the need for users to create two separate originals and then print in two separate passes*
- *RISO's compelling two-color digital duplicators deliver the advantages of multi-colored output while maintaining a low cost per page and user-friendly process all in a single compact machine*
- *Impressive, easy to understand, touch screen interface with a high degree of functionality allows the user to operate the unit without specialized training*
- *The Easy2Color and editing process, both from the walk-up and desktop, are leagues ahead of competing units*
- *RISO could teach a manufacturer or two about building user-friendliness into its printer drivers*
